

Global Reach Local Expertise.

As part of the voestalpine Group, we at voestalpine Böhler Welding have led the welding industry for over a century. With 50+ subsidiaries and 4,000+ partners worldwide, we ensure expert proximity wherever you are. At IIW Salzburg, we bridge our rich heritage with innovation. Through our "Full Welding Solutions", we empower fabricators and engineers to achieve reliable results. We believe in progress through collaboration and application expertise. Join us to engage with the welding community and discover how our global network supports your local success. Let's shape the future of welding together - one partnership at a time.
